

Global Studies and Service Scholarship (Confidential) Application School Year 2019-2020

To be completed by parents

The Global Studies and Service Scholarship Fund was established to supplement (up to 25%) the cost of overnight Global Studies and Service trips for students whose families cannot afford to pay the full expense of such trips. Students apply for this “need-based” assistance using this form. Only students receiving financial aid support from Bullis are eligible to apply. Applications are reviewed by the Global Studies and Service Scholarship Committee and are kept completely confidential.

The application deadline for Upper School trips is October 15th, and for Middle School trips it is October 22nd. To be considered, the submission must include the scholarship application, the trip application, and the initial deposit. The Committee will review the applications and communicate available assistance to applicants before the next payment deadline.

If you would like to be considered for this Scholarship please complete the information and questions below, and return the completed form with your trip application to the Upper School Office for Upper School trips or the Middle School office for the Costa Rica trip.

Student's Name:

Parent's Name:

Parent's Email:

Name of Global Studies and Service trip:

Total Cost of Global Studies and Service Trip:

Estimate of how much your family can contribute to the trip: (\$ or %) _____

Parent(s): In 250 words or less, please describe your reason for requesting this financial assistance. Please submit your response in a typed document and attach it to this application form.
