Drop-off & Pickup Newsletter

Welcome to Bullis Summer Programs 2019!

We are excited to have you join us this summer! To ensure a smooth start to camp, we would like to advise you of our traffic patterns and drop-off/pickup locations. Please read the following newsletter carefully.

- Campus is one-way at all times.
- It is imperative that you follow the flow of traffic; please **do not get out of the car** or attempt to go around another car as it is picking up its camper. As the safety and care of our campers is our main priority, we appreciate your efforts to comply with this policy.
- When dropping off your camper, please arrive **no earlier than 15 minutes** before camp starts. When picking up your camper, please arrive **no earlier than 15 minutes** before camp ends, as you will be asked to park in a designated parking lot or exit campus and return when camp ends. Please remain in your car at all times, unless your camper is in Bulldog Day Camp Jr. **For camps that go off campus each day (Cheer & Tumbling, Fishing . . . Now & Forever!, Wilderness & Adventure, Wilderness & Adventure 2.0), please be sure to drop your camper off 5-10 minutes before the advertised camp start time. It is imperative that campers are not late for these camps, as they could miss the bus, and the parent would have to drive to the camp's location to meet up with the group.**
- If you are running late and your camper will arrive later than 15 minutes after the start of camp, please contact our office. We will instruct you with modified drop-off procedures based on the camp.
- During pickup, you must follow the instructions under Camper Car Display (p. 2).
- If you need to drop off your camper more than 15 minutes before the start of camp or pick up your camper more than 15 minutes after the end of camp, we will require you to enroll your camper in Extended Day. This program is available from 7:30 - 9:00 a.m. and 2:30 - 6:00 p.m. Please note, campers who are not picked up within 15 minutes of their camp's end time will be escorted to Extended Day in South Hall and automatically enrolled at the \$30 afternoon drop-in rate (charges will be applied to camp accounts). If you arrive for pickup after 6:00 p.m., late charges will accrue in the amount of \$2 per minute per camper. All Extended Day drop-in charges and late fees incurred will be charged to the credit card on file after the date of attendance. By registering for BSP, you are agreeing to these terms; no prior notice will be given.
- We ask that you please drive with care when dropping off and picking up your campers. Please do not exceed 5 mph. **Cell phone use is prohibited while on campus.**
- All campers enter campus through the Falls Rd (main gate) & exit through either Democracy Boulevard or Falls Rd (stadium gate).

Camper Car Display

Please print the **Camper Car Display**, found in the Welcome Email as well as on the BSP website. You are required to print, complete, and prominently display this sign in your vehicle upon entering the carpool line for pickup. If your camper is in the Pick 3 Program, please list **ONLY** their Block C camp. The sign can be displayed either on the passenger-side dash or the visor as it is flipped down. As you drive up to the pickup location, staff will direct your camper to your car. Thank you for your support in ensuring a safe, efficient carpool process by following this policy.
