- Fees for 2017-18:** The fees are as follows if registered **after** August 14, 2017

	<u>Full Year</u>	<u>One Trimester</u>
Round-trip service	\$2,175	\$880
Morning-only service	\$1,330	\$535
Afternoon-only service	\$1,330	\$535
Single Trip	\$15	

2. **PG express service:** This popular service will be offered again. Group stops may change to provide more convenient pick-up locations for participating families. We continue to work to minimize the long ride times that this long route necessitates.
3. **Activity bus service:** The three late runs will continue for upcoming school year. Families in Bethesda, Friendship Heights Metro, Northwest DC, PG and Virginia will continue to be serviced with the late Activity routes. Students may utilize this service for after school sports or other extracurricular activities. If you are registered for regular AM or PM Service already, the activity bus is available at no extra charge.
4. **Olney Route:** We have added an additional **late activity** route servicing our students in upper Montgomery County. The new route covers the Glenmont shopping center, Olney Town Center and stops along North bound Georgia Ave.

5. **Shady Grove, Falls Grove:** We continue to serve the Shady Grove area with several new stops in Falls Grove and the surrounding community.

6. **Gaithersburg Route:** We have added an additional **late activity** route servicing our students in Kentlands and Crown Center and Germantown area.

7. **Additional Service:** If you are interested in bus service, but live in an area or required a bus stop not currently on the bus route, please add this information to the Transportation Agreement and return your form by July 14, 2017 for consideration. Although we cannot reach the entire metro DC area, we will do our best to reach you.
